LIMITLESS 2K20 RULES / GUIDELINES

Because so many young people are on site at one time it's appropriate to have certain rules that delegates are asked to abide by. Here's a quick overview. Obviously any breach of British law will also be subject to a disciplinary procedure! Limitless reserves the right to ask people to leave site if they are not in compliance with the following rules.

- 1) *Strictly no alcohol on site.*
- 2) *Strictly no drugs or drug paraphernalia on site - except for medical purposes. Anyone found in possession of drugs or alcohol will be evicted from the site and refused further entry to the event. The Chief Stewarding team and the police representatives on site will deal with all drug-related incidents.*
- 3) *Smoking is not permitted inside buildings, marquees or individual tents.*
- 4) *No mixed gender tent sharing on site unless married.*
- 5) *Ball games are to be finished by 10pm - even if there is a nil-nil outcome. Rollerblading, skateboarding or cycling can only occur after dark if you have lights on.*
- 6) *Tents can only be moved to another village by registering with Information. This is essential in case we need to contact you in an emergency.*
- 7) *No crossing into any area that has been marked out of bounds by red and white tape.*
- 8) *Event passes must be worn at all times - they are the only way to get into venues. There is a charge for lost passes.*
- 9) *Delegates must be in their village at night and abide by site quiet rules.*

As a Christian group we want everyone to enjoy the event and the time we spend together. As such we don't permit bullying, intimidatory or threatening behaviour; either to leaders or other young people.

If any young person/member of the group breaks the Limitless Festival rules or persistently breaks these guidelines, then at the discretion of the group leaders, the young person's parents will be called and asked to collect them from the vent (if they are unable to collect them, then a charge will be made). More Info <http://www.limitlessfestival.co.uk>

- **Group Leaders : Edward Ibberson & Tim Crummack**
- We will all camp together on site; however, we'll be in touch nearer the time to finalise tents etc. You'll need to either arrange your own tent or who you'll share with.
- You are responsible for arranging transport to and from the event (though we'll try to help by enabling you to contact each other and work out car shares etc.)
- We will confirm when your place is booked online. We assume that in booking your place you have read, understood and agree to these rules/guidelines. If you cancel, or withdraw from the event, we can't guarantee a full refund for either the booking fee or monies paid for food etc.
- We'll send you further information (around June/July) requesting payment for food, gas etc. as well as consent and medical forms. It's vital we receive these in good time before the event. If we don't receive these completed forms back we won't be able to take the young person to the event.
